200 Bachelor Degrees!

From the Atlantic to the Pacific, you are sure to find a university that meets your academic requirements, social needs, and your quest for a great career after graduation.

From Brazil to Canada, via the CUAC !!!

"Initially I came to Nova Scotia on an exchange program and then decided to apply to Saint Mary's University. I made a really good decision! The faculty here are excellent and dedicated and Saint Mary's is very popular with international students from around the world."
 - **Sarita Góes Teixeira**
 Saint Mary's University

It was a simple solution but it took two second year engineering students from the **University of Windsor** to come up with it. One month into their co-op paid work placement with a leading Canadian manufacturing company, twin brothers **Luv and Kush Aggarwal** discovered a solution that would save their company lots of time, resources and expenses.
